Protect Yourself! Get a **FREE** TruStage® quote today!

Vehicles and homes have typically been the average consumer's most valuable assets. With drastic increases in worth over the past year, that's even more true than in the past.

Although housing prices have had a largely upward price trajectory since the 1960s, they've taken a bigger-than-usual jump since 2020¹. And thanks to chip shortages and high demand, prices on both new and used vehicles have increased faster than consumer prices overall (and those went up a hefty 7% from 2020 to 2021 — the largest year-over-year increase since 1981)².
