OFCU Exceeds Goal: 285 Letters for Operation Gratitude

In its second year, Omaha Federal Credit Union gathered and mailed 285 custom letters to **Operation Gratitude** for its annual holiday campaign: **Holiday Letters for Care Packages for First Responders, Active Military and Veterans** across the globe. OFCU's goal for this year was 250 letters, but we surpassed that by 35 letters! Many OFCU employees and their families wrote and colored letters; Blair Radio folks provided 20 cards/letters; Sunset Hills Elementary (Omaha-Westside) (6th graders) wrote 12 e-letters via OFCU's e-link; Prairie Lane Elementary (Omaha-Westside) (2nd graders) wrote 23 hard copy letters, and the Carter Lake Boys and Girls Club (Carter Lake, IA) wrote 33 letters, among many others. OFCU Adopts a Family for Blair Chamber + Optimist Club

December 2022

Thank you, these two words are not enough to say what your help means to us. With your assistance, the Optimist Club of Blair was able to help 68 families with more than 130 children in Blair and the surrounding area. It is only with the help of so many unsung heroes that we were able to brighten their holiday. May you all have a very blessed New Year!

Omaha Federal Credit Union adopted a family of three for the Blair Chamber of Commerce+Blair Optimist Club's annual holiday **Adopt-A-Family** campaign. We raised \$255 via OFCU employees -- \$205 were divided among the two children and the mother received a \$50 gift card to Family Fare. OFCU employees also donated additional gifts/gift wrap/gift bags/tissue paper -- all gifts and supplies were delivered to the Blair Chamber on 12-09-22. Our family picked up their gifts on 12-12-22.

Vehicles and homes have typically been the average consumer's most valuable assets. With drastic increases in worth over the past year, that's even more true than in the past.

Although housing prices have had a largely upward price trajectory since the 1960s, they've taken a bigger-than-usual jump since 2020¹. And thanks to chip shortages and high demand, prices on both new and used vehicles have increased faster than consumer prices overall (and those went up a hefty 7% from 2020 to 2021 — the largest year-over-year increase since 1981)².
