## FREE Ramsey Program Instills Financial Motivation

OFCU's partnership with the [Ramsey Solutions](#) program and sharing its ***Foundations in Personal Finance*** curriculum with Omaha's Gross Catholic High School for FREE has allowed us to deliver hope to students from all walks of life.

From those with solid foundations to those whose families face money challenges on a regular basis, the [Ramsey](#) program helps students at all learning levels to visualize a future they might have thought was out of reach. In a similar situation, teachers and students at a Somerset, Texas high school relay in the [video](#) above the inspiration and hope that [Ramsey](#) has brought. That same motivation is what we hope our members feel when they take advantage of the entire suite of [Ramsey](#) financial modules, chapters and lessons for FREE -- complimentary of OFCU! Fraud Prevention

With fraud prevention being at the forefront of what we stand for, we are pleased to unveil a brand NEW website [landing page](#) to help inform and protect OFCU members from scams, fraud and identity theft. This [page](#) will serve as a central hub for valuable information and resources, empowering OFCU members to recognize and avoid potential threats.

Sharing information on [fraud prevention](#) is crucial because it helps raise awareness about the latest scams and tactics used by fraudsters. By educating OFCU members, we can help them make informed decisions and take proactive steps to safeguard their personal and financial information. Additionally, providing tips on how to spot suspicious activity, secure their accounts, and report fraud can significantly reduce the risk of financial loss and identity theft.

Overall, this proactive initiative not only enhances the safety and security of OFCU members, but also will hopefully continue to build and maintain trust by showing that we care and we will ALWAYS prioritize their safety and well-being. [Learn more](#)
