Clever **Check Fraud** Attacks Lead To Significant Losses

According to a FinCEN FTA report, 70% of checks stolen from the mail are altered and deposited or used as counterfeit templates.

Altered & Deposited

Fraudsters use chemicals to scrub and rewrite checks, changing the payee's name, date and dollar value.

YOUR OFCU VOICE Was Loud, Proud and Clear

In a time when financial institutions are facing growing scrutiny and shifting policy landscapes, one thing remains clear: **Credit unions are unified, prepared and deeply committed to protecting the financial well-being of the communities they serve.** Nowhere was this more evident than our industry-wide campaign to protect the not-for-profit tax status of credit unions during this year's tax reform debate.
