NEW! Round-Up Program Helps Members Save Money

Pay to Save With Debit Card Round-Up Savings Program

Ready for an easy way to save?

Round Up makes saving money effortless by rounding up your debit card purchases to the nearest dollar amount and transferring the difference from your checking account to your savings account.

Start saving with every debit card purchase you make! Saving just got a whole lot easier and quicker thanks to OFCU's **NEW Debit Card Round-Up Program!** When you make an eligible debit card purchase from your checking account, the transaction amount is rounded up to the nearest whole dollar. That rounded-up amount is then transferred to your designated savings account on a per-transaction basis. For example: a \$7.25 purchase rounds up to \$8.00. The \$0.75 difference is transferred to your selected savings account. Transactions that are whole dollar (\$5.00) will receive a \$1 round up. **Please note: you must be enrolled in eStatements to participate.** ▶

NEW! Enhanced Online Banking Security Comes to OFCU

Every transaction begins with trust

Protecting your financial information is our highest priority. To ensure your finances are kept safe, we designed our mobile banking app to be just as secure as our online banking experience. It's a great way to safeguard your account from fraud and theft, while keeping you on the go.

Using our mobile app is:

Easy: User-friendly, no matter your level of comfort with technology

Secure: Your account is protected with multilayered security

Convenient: Your money is at your fingertips at home, at work or on the go

We're introducing an added layer of security to online banking, **beginning Thursday, April 16**. When signing in, you'll receive a one-time verification code by text or voice call to complete your login. **This feature replaces security questions and is also available in the mobile app. Please ensure your phone number is current in Online Banking.** *Important: Online Banking will be temporarily unavailable on 04.16.26 from 2 a.m. to 9 a.m. for scheduled maintenance.* ▶

Celebrate Our Planet: Earth Day is Wednesday, April 22

Stay Mindful: April is National Financial Literacy Month

Financial Literacy Month is a nationwide effort to promote financial education. It is an invitation to build stronger habits around spending, saving, borrowing and planning, just like the [video above](#) instills. The goal is progress, not perfection. You and your family do not need to become an expert overnight. Learning how compound interest works, reviewing your credit report for errors, building a starter emergency fund, or finally writing down a realistic budget are all substantial steps forward. And, just know, we can -- and are happy to -- help you reach your goals throughout your financial journey. [▶](#)
