You Have The Car Of Your Dreams...Now Get Some Peace Of Mind

You just purchased the car of your dreams. Now's the time to make sure you can enjoy it for a long time. Omaha Federal offers both Guaranteed Auto Protection (GAP) and Extended Warranty Insurance to help you protect your auto investment.

GAP will cover the difference between your loan payoff and your insurance company settlement if your vehicle is ever in an accident and deemed a total loss or if it's stolen. In most instances your insurance company will usually pay only the actual cash value of your vehicle minus your deductible. This could leave you having to pay thousands of dollars out of pocket to payoff the loan. GAP will help you make up the difference between what the insurance company will pay and the balance on your loan. GAP also offers Auto Deductible Reimbursement which pays up to \$500 (\$1000 per year) for the first 2 years.

Even the best car can have unexpected repairs. But with an Omaha Federal Extended Auto Warranty you can be sure that your car doesn't degenerate from a prized possession to a cumbersome money pit.

Omaha Federal offers 3 different types of warranties depending on the mileage and year of your vehicle. Our Extended Warranty Insurance also offers:

- Fast quotes - usually in 5 minutes
- No deductible
- Payments for a rental car up to \$40 a day
- Emergency Roadside Service

To learn more about our GAP or Extended Warranty Insurance give us a call today at 402-399-9001.

Local Service. Global Good.

On October 15, 2015, credit unions around the world will celebrate Credit Union Day.

Since 1948, on the third Thursday of every October, credit unions have celebrated a simple but radical idea—that by working together, people can improve their financial well-being. “People helping people,” this year’s ICU Day theme, is the foundational philosophy of the credit union movement, going back to the very beginning.

The World Council of Credit Unions, supported by credit unions in the U.S., works to develop credit unions around the world because they believe that every person deserves access to affordable, reliable financial services. As not-for-profit financial cooperatives, credit unions are governed by their members—one member, one vote. In many countries, credit unions offer people their first true taste of democracy.

“Credit unions must do their part. We must share our knowledge, our experience, and our dreams,” World Council Board Chairman Grzegorz Bierecki said earlier this year. “It is the duty of free people to support freedom.”

At its most basic level, a credit union is people pooling their money to provide each other with affordable loans—a credit union is literally people helping people. This is why we celebrate Credit Union Day at Omaha Federal. This simple idea empowers people, wherever they are in the world or life, to take control of their own financial future.

So help us celebrate this special day by stopping by any of our locations for free refreshments on October 15th.

Project Santa Starting Soon

It's Project Santa time again! Time for you to help us make it a happier holiday season for some less fortunate children in our community. Through The Open Door Mission Lydia House and with the help of KFAB/KGOR Radio, we are currently collecting new and unwrapped toys and cash donations at our Main, Downtown, and Blair Offices.

Project Santa begins the first week in November. We will also be holding a radio remote on Saturday, December 12 at our Main Office from 10 am to 12 noon. During that time, Scott Voorhees from KFAB will be on hand to collect your donations.

This year help Omaha Federal Credit Union make the holiday season brighter for children in our community.
